

2025 Adelaide Footy League New Umpire

Why would you want to umpire with the Adelaide Footy League?

The Adelaide Footy League runs the biggest senior football competition for local male and female footballers in metropolitan Adelaide. Over 120 games are held each week on Saturdays between April and September.

Umpires choose to umpire with the Adelaide Footy League for different reasons:

- Looking to make more (tax-free) money
- Want to umpire on Saturdays
- Keen to experience umpiring senior football
- Get to know other umpires and umpiring coaches
- Can umpire with their own parents or children

Umpires as young as 12 years old and as old as 80 years old are currently umpiring with the Adelaide Footy League. If aged under 16, you can choose to be a boundary or goal umpire. If you wish to field umpire, you can do this with SANFL Juniors or wait until you turn 16.
