CHIEF EXECUTIVE OFFICER'S REPORT

My position as CEO of this very great organisation never fails to deliver and one I consider myself as honoured to hold today as the day I was appointed, has also brought a level of appreciation that our Clubs mean more to their respective communities than simply the game of footy as crucial as that is to the equation. 2023 has seen our profile rise again forging relationships with SAPOL and the Master Builders Association with our role in the coming years to highlight career paths available to any of our twelve thousand young men and women who play in our League. The availability of those resources and opportunities will extend to our Club's juniors who as they approach adulthood, can take comfort their Clubs have their interests at heart to provide them opportunities to develop as solid community and football citizens.

Commercially we position ourselves to a different market than that of our neighbouring AFL Clubs and the SANFL. In a proposal to a potential partner of our League, Social Capital heads the list of touch points for any organisation to be-friend our League which remains our strength above all others, regardless of our rank in the football food chain. We engage anything up to one hundred thousand players, volunteers, mums, dads, brothers, sisters, grandmas, grandpas on a weekly basis across nearly 150 matches per weekend. Whilst our Member Club's juniors are affiliated with the SANFL, our Clubs have a direct affiliation with roughly 30,000 players made up of girls, boys, women and men and everything they bring to the table as a collective.

Entering season 2023, we agreed to new terms of a partnership with Lion that extends that relationship to twenty four years. Jarod Shattock, Tim Moffat, Bruce Gehling and the remainder of SA's favourite brewer continue to support our Clubs at levels relative to their very personal interest in our League. John Mannion as head of Breakthrough Mental Health, leads a team which deliver services made available to our Clubs to ensure they as frontline representatives of their Clubs are well versed in the very confronting dynamic relative to mental health and wellness. As the seasons roll on, the organic development of our relationship with Channel 9 Adelaide never fails to deliver. Managing Director, Sean O'Brien is instrumental on ensuring Ch9 continue to offer a profile to our League we could not possibly afford. Our stable of Blue-Chip Partners would not be lost on the honour boards of the Port Adelaide or Adelaide Football Clubs is complete with Police Credit Union, Sherrin, CMAX Clinical Research, O'Neills Sportswear, Wakefield Sports Clinic, Neomorph Mouthguards, Villi's, Powerade, SA Gourmet Meats, Belgravia/New Balance and our Apparel and Medical Partners.

When we consider the size of our organisation and the cross section of demographics, motivations and or ideologies of what constitutes a healthy community footy based competition, on or off the field, we have arrived at a comfortable position though with room to improve.

The continued challenge for our Clubs is to not only move in the same direction as The League but to challenge themselves to compete with their fellow member Clubs to a standard many of those Member Clubs have orchestrated themselves and to what we now refer to internally as self-benchmarking. In fact, it is fair to suggest it is not even The League administration or The League Executive which drives that standard, but our Clubs and they make no apologies in ensuring we are as equally held to account and it's a responsibility we embrace on their behalf.

Our original plans to be positioned at Thebarton Oval have been well and truly skuttled. That reference of skuttled should in no way be construed as a negative slant on our position. It simply presents a new challenge and indeed our League Executive have represented the Clubs who elect them to manufacture an outcome that whilst our claims to compensation are to be agreed upon as I write, we can be moderately content with our position when it is. However, if it is not agreed upon, we make no apology to putting a stake in the ground and holding firm on our very well established legal position in the interests of our Clubs and by extension, The League. Though the lessons learned as we continue to explore every possible benefit to The League whether it be for the present day or to what may be legacy decisions to stabilise a platform for the next generation of management of this League to operate from is to ensure we remain in absolute control of our own destiny accepting a need to collaborate with the football community at

large for the good of footy generally. As the governing body of football in South Australia, we will continue to work with SANFL, if not hold them accountable for football of which we are a major stakeholder though our very clear priority and one we do not apologise for is to ensure what is good for footy, is primarily what is good for our Clubs, an ideology we lament has not been afforded to us in recent times by some who took shelter under the guise of their actions being good for football but were simply hunting with the hounds and running with the wolves.

Whilst we are fully cognizant of the commercial value the Adelaide Football Club will bring to the Thebarton precinct and in turn the asset value for the West Torrens City Council, we are genuinely saddened our time as a commercial partner of our former landlord has now come to an end. Terry Buss, Angelo Catinari and Councillor Kym McKay have been the most wonderful of hosts for what was a 16 year collaboration and we wish them well in the future and extend out most sincere appreciation.

On field behaviour is a constant challenge, though to be fair to 2023 and a high praise to our Clubs who competed in it, this year alone has been of an exponentially higher standard than previous years. Whilst much has been said with respect to some on-field incidents that have caused The League some concern commonly referred to as dangerous tackles, we remain confident the standard has been set and those who continue to ignore or question The League's lack of tolerance to this act will continue to spend time on the sidelines to re-evaluate their tackling modus operandi. The act of lifting and dumping a player is a scourge on the game. But what is of significant frustration is in turn, the lack of acknowledgement to the greater majority of Clubs and or players who manage to conduct themselves in manner that exceeds The League's expectations and with little effort. 99% of our players have not seen the inside of The League's Tribunal Room. That said, there is some irony that even those Clubs which have had players dealt with through The League judiciary, most are pragmatic enough to be fully supportive of the bigger picture and what it means to allow young men and women to participate in a safe environment and how that directly enhances participation levels.

Concussion is the revised risk to not only playing participants, but those charged with supervising players at club level and the duty of care that falls upon them. The League takes some comfort that our journey to participating in concussion research and education is as advanced as any similar type of organisation in the land. Keith Thomas representing SPARK is a blessing to our League. He speaks our language and is fully understanding of the challenges of this very high priority being understood by volunteer-based Clubs. However, volunteerism is not a defense to any apathy to ensure our players health and wellbeing are paramount to our priorities.

Our Board of Management, Presided over by Dan Eddington and Chaired by Stephen Young offers a stable and clear direction for The League to be managed. Lindsay Blight as Treasurer is well supported by a Finance and Risk Committee that offers a balance between the goals of the League being supported financially and progressing. Melanie Keetch, Kate Harris, Shaun Ryan, Craig Scott and Steve Moffatt bring a wealth of experience in a cross section of skills of legal, policy and procedure, Human Resources to complement their football IQ that is underpinned by their own exposure to the day to day challenges of a football club.

When those who ask what our Clubs do, the answer is more than just football. Our Clubs represent all that is good about what it is to be part of a Club – people including volunteers and we're lucky enough to have lots of them.

As the guardians of local footy, our Clubs continue to do what they love and do so exceedingly well and don't let anyone tell you otherwise.

Adelaide Footy League, strengthening communities through footy.

PRESIDENT'S REPORT

I would like to extend my sincere gratitude to John and the staff for their outstanding dedication and efficiency throughout the year. Despite the continuing challenges, their professionalism and excellent communication ensured a seamless experience.

To the Executive team, thank you for your unwavering support and hard work over the year. Your assistance has been invaluable not only to me but also to John and the team.

Our sponsors are instrumental in providing the financial support necessary for the League and, consequently, the Clubs. I wish to express our deep appreciation for their continued generosity and support. The League is immensely grateful for these enduring partnerships, and we look forward to fostering these strong and mutually beneficial relationships in the coming years. As always, we encourage everyone to support those who support us whenever possible.

Women's Football is continuing to see reasonable growth, and 2023 was no exception. We anticipate even greater participation in the 2024 season, presenting us with exciting opportunities and challenges at both the League and Club levels.

Many Clubs have shown remarkable growth and made significant advancements in their facilities. I expect this positive trend to continue as more Clubs unveil their redevelopment plans.

To all Clubs, players, officials, volunteers, and supporters, thank you for contributing to a prosperous and entertaining year of football.

Lastly, I wish you all a restful summer break and a safe and joyous Christmas and New Year. Here's to another excellent season in 2024.

Daniel Eddington
President

TREASURER'S REPORT

The League revenues increased; however, this was offset by higher operating costs.

Revenue from our corporate sponsorships and partnerships were lower attributed to the delay in commencement of a new sponsorship agreement. This revenue will be recognised in the coming fiscal year.

Finals gate taking revenue was ahead of budget but came in lower than the prior two seasons. Contributing factors included the absence of a standalone division one grand final weekend and clubs enjoying strong years with multiple sides taking part in grand finals.

Our investment portfolio returns were stronger up \$42,287 this year to \$54,718.

The legal expense provision raised last year of \$18,000, was offset against the legal expense paid this fiscal year.

We have an outstanding insurance claim for the recovery of a part of these expenses, the outcome is expected this to be finalised in the coming fiscal year.

Summary of the Fiscal Year

- League revenue increased to \$1,769,434 (from \$1,631,940 in 2022).
- Expenses increased to \$1,783,842 (from \$1,643,227 in 2022).
- A resultant trading loss of \$14,408 (compared to a loss of \$11,287 in 2022).
- This is after the following abnormal items.
 - o \$35,000 expense provision for doubtful debt.
 - o \$17,000 income from forfeited affiliation and registration bonds (2011-19).
- Our investment portfolio market value increased by \$26,244 to \$393,611.
- Our closing cash position was lower at \$1,784,083 (\$1,844,870 in 2022).
- The League's net asset position was \$1,974,992 (\$1,975,367 in 2022).

In closing -

We expect upward pressure on operating costs will continue into the next fiscal year with underlying inflation still being high.

Being mindful of the need to balance The League's trading position we have proposed an increase in administration calls, at the lower end of the prevailing underlying inflation.

I thank the members of the Executive Committee, Finance Sub-Committee, John, Ivana, and Peter for their support in managing The League's finances this year.

Thanks to our auditors Perks again for aiding the prompt completion, of the audit.

Finally, I congratulate our Member Clubs and volunteers on their seasons and thank you for the opportunity to serve.

Treasurer

Notes to the Financial Statements

For the Year Ended 30 September 2023

1 Summary of Significant Accounting Policies

(a) Basis of preparation

This financial report is a special purpose financial report prepared for distribution to members in order to satisfy the financial reporting requirements of the *Associations Incorporation Act (SA) 1985*. The committee has determined that the South Australian Amateur Football League Inc ("League") is not a reporting entity.

The financial report has been prepared on an accruals basis, except for the statement of cashflows, and is based on historical costs and does not take into account changing money values or, except where specifically stated, current valuations of non-current assets.

The following significant accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this financial report.

Some of the comparative figures in the Income and Expenditure statement have been remapped for the purpose of comparison and to more accurately represent the nature of the expenditure.

(b) Income tax

The League is exempt from Income Tax under Div 50 of the *Income Tax Assessment Act 1997*.

(c) Revenue and other income

Revenue is measured at the fair value of the consideration received or receivable after. For this purpose, deferred consideration is not discounted to present values when recognising revenue.

Dividends

Revenue from dividends is recognised when they are declared.

Interest revenue

Interest revenue is recognised using the effective interest rate method, which for floating rate financial assets, is the rate inherent in the instrument.

Grants and donations

Grant and donation income is recognised when the League obtains control over the funds which is generally at the time of receipt.

All revenue is stated net of the amount of goods and services tax (GST).

(d) Cash and cash equivalents

Cash and cash equivalents include cash on hand, deposits held at call with banks, other short-term highly liquid investments with original maturities up to twelve months.

South Australian Amateur Football League Inc

ABN 22 605 973 501

Notes to the Financial Statements

For the Year Ended 30 September 2023

1 Summary of Significant Accounting Policies

(e) Property, plant and equipment

Property, plant and equipment is depreciated over the useful lives of the assets to the association commencing from the time the asset is held ready for use.

Leasehold improvements

Leasehold improvements and office equipment are carried at cost less, where applicable, any accumulated depreciation, unless otherwise stated.

Leasehold improvements are amortised over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains and losses are included in the income and expenditure statement.

(f) Financial assets

Recognition

Investments are valued at their recoverable amount which is the quoted market value in the case of shares in listed companies and income is brought to account on an accrual basis. Movements in the fair value of investments are recognised in other comprehensive income.

(g) Impairment of non-financial assets

At the end of each reporting period, the League reviews the carrying values of its assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, is compared to the asset's carrying value. Any excess of the asset's carrying value over its recoverable amount is expensed to the income and expenditure statement.

(h) Employee benefits

Provision is made for the League's liability for employee benefits arising from services rendered by employees to the end of the reporting year. Employee benefits have been measured at the amounts expected to be paid when the liability is settled.

The Long Service Leave provision was calculated for all employees at the rate of 1.3 weeks from service commitment.

South Australian Amateur Football League Inc

ABN 22 605 973 501

Notes to the Financial Statements

For the Year Ended 30 September 2023

1 Summary of Significant Accounting Policies

(i) Provisions

Fines provision

During the 2017 financial year the League determined that cashflows from fines received would be recognised as a liability with the funds to be spent in future years on programs for clubs within the League.

Insurance provision

During the 2017 financial year, revenue from insurance receipts was in excess of the insurance expense. The excess has been re-allocated to the insurance provision to be applied against future revenue raised for insurance from Clubs in the League.

Legal expenses provision

As a result of unsuccessful legal action during the 2022 financial year, the League was required to pay for a portion of the legal costs of the other party engaged in the matter. The case has since been settled with no future outflows expected.

(j) Goods and services tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Tax Office. In these circumstances, the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the assets and liabilities statement are shown inclusive of GST.

Except for the above, no other matters or circumstances have arisen since the end of the financial year which significantly affected or could significantly affect the operations of the League, the results of those operations or the state of affairs of the League in future financial years.

Opinion

We have audited the accompanying financial report being a special purpose financial report, of South Australian Amateur Football League Inc ("the League"), which comprises the assets and liabilities statement as at 30 September 2023, the income and expenditure statement, statement of changes in equity and statement of cash flows for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information, and the statement by the executive committee.

In our opinion, the financial report presents fairly, in all material respects, the financial position of the League as at 30 September 2023, and its financial performance and its cash flows for the year then ended in accordance with the accounting policies described in Note 1 to the financial statements, and the requirements of the *Associations Incorporation Act (SA) 1985*.

Basis of our Opinion

We conducted our audit in accordance with Australian Accounting Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the League in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter - Basis of Accounting

We draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared to assist the League to meet the requirements of the *Associations Incorporation Act (SA) 1985*. TRIBUNAL REPORT

The consistent messaging of zero tolerance from The League regards to inappropriate on field behaviour and the videoing of games is significant in ensuring the Adelaide Footy League continues to be on the front foot in protecting those who participate each weekend in our great game.

In line with this, the Tribunal has continued to place importance on the “potential for harm” when assessing the “impact” component of reports and determining the appropriate outcome. This will no doubt be an ongoing focus into the future.

Club lodged investigations continued to be a feature this year with a focus on “sling tackles” and bumps. With that comes an obligation on the reporting Club to ensure they provide evidence to support their report, particularly the impact on the player and includes ensuring the players involved are available to given evidence in the Tribunal hearings.

This combined with umpire reports resulted in a steady stream of matters before the Tribunal this year.

It was disappointing to note that again this year there were several reports relating to umpire abuse. Our umpiring officials are an integral part of our game and without them the hundreds of games that occur each week in the Adelaide Footy League simply cannot happen. The Tribunal supports our umpiring fraternity and took a strong stand on those appearing before us charged with umpire abuse.

The video technology has been of great assistance to the Tribunal in assessing and determining outcomes, in matters that occur in split seconds and upon which differences of opinion will always vary. We appreciate the League’s commitment to ensuring the videoing of games will continue.

I would like to thank the members of the Tribunal who willing volunteer their time, the Staff of the League, in particular Tony (now retired) and Aaron for their efforts and assistance with the Tribunal. Further thanks to the CEO, John Kernahan who acknowledges that the Tribunal functions independently from the League and that the Tribunal must make decisions having heard and listened to the evidence and the submission from the Clubs during the hearing process.

Tribunal Chairman

UMPIRE'S REPORT

Organising umpires for the Adelaide Footy League requires a big team effort, considering there are over 130 games played each weekend. This year there were some key people behind the scenes who went above and beyond in their support of umpiring including Peter Angel (Umpires Coordinator), Greg von Einem (First Year Field Umpires Coach), Neil Rankine (Head Boundary Umpires Coach), Ray Roberts (Boundary Umpires Assistant Coach), Bruce Amos (Head Goal Umpires Coach), Sue Stevens (Trainer) and Tony Symons (Fitness Coach). Umpires Association President Ian Gore and his committee continued to do an outstanding job of assisting the umpiring group. Thank you to you all.

There were over 400 registered umpires on our books to provide League appointed field, boundary and goal umpires to the games we did. Many of these umpires were happy to umpire more than one game in a day.

A new initiative in 2023 was the introduction of the 3 umpire system for field umpires in selected Division 1 games throughout the minor round. This provided opportunities for umpires who were umpiring well in Division 2 to be promoted even if they had not achieved the Division 1 time trial requirement for the 2 umpire system. It also gave more flexibility when there were Division 1 umpires who pulled out at the last minute. I expect the same arrangements to be in place next year.

Since they were introduced a couple of years ago during the COVID pandemic, the weekly Zoom Meeting coaching sessions have been popular and effective in educating the large amount of field umpires we have on our books. This year, coaching vision from Adelaide Footy League games was used instead of SANFL games and this was well received. Also on the Zoom Meetings during the season, we had interviews with the AFL boundary umpires head coach (Darren Wilson) and 4 different AFL field umpires (Tom Bryce, Matt Stevic, Chris Donlan and Rob Findlay).

For the first time this year, we had to ensure every League umpire had passed a Working With Children Check before being appointed to a game. This required a great deal of administration assistance and I want to acknowledge Peter Angel for his efforts in this regard.

There were several umpires recognised at the end of season Presentation Dinner for their outstanding performances in 2023. Congratulations to the following – Andrew Crosby (Best Field Umpire), Brett Heritage (Best Boundary Umpire), Robert Tainsh (Best Goal Umpire), Ben Kernich (Best First Year Field Umpire), Max Kenward (Best First Year Boundary Umpire), Maj Rasheed (Best First Year Goal Umpire), Cliff Van der Poll (Most Improved Field Umpire), Brodie Symons (Most Improved Boundary Umpire), Annette Greenshields (Most Improved Goal Umpire), Alison McMeekin (Umpire Managers Award) and Rob Middlin (Rex Lambert Award).

Furthermore, there were some significant achievements from experienced umpires, with 9 reaching 400 or more Adelaide Footy games:

400 games – Matt Schmidt (Field)

500 games – John Biggs (Goal), Sam Colella (Field), Ian MacGregor (Goal), Greg Symons (Field), Craig Trewartha (Field)

700 games – Michael Williamson (Field)

800 games – Lynton Davies (Goal)

1200 games – Barry Lewis (Field)

On a sad note, goal umpire Mark Thomas passed away suddenly at the start of the season. Mark was aged 61 and had umpired 79 games with the Adelaide Footy League. Our sincere condolences go out to Mark's family and friends.

Thank you to all those who supported Adelaide Footy umpiring and we look forward to doing it all again in 2024.

Colin Rowston
Umpires Director

ROUND 4 - UMPIRE APPRECIATION ROUND

13 MAY 2023

Umpire Appreciation Round celebrated the invaluable contribution of umpires to the sport of Australian Rules Football. This special occasion recognised the dedication, professionalism, and hard work of umpires who officiate matches at all levels of the League. Throughout the round, players, coaches, officials, and spectators united to show their appreciation for umpires, acknowledging the crucial role they play in ensuring fair play and the integrity of the game. Special gestures such as acts of respect and appreciation were displayed to honour umpires for their commitment to the sport.

ROUND 6 - BREAKTHROUGH MENTAL HEALTH ROUND

27 MAY 2023

The Breakthrough Mental Health Research Foundation (BMHRF) emerged not only as a distinguished Charity of Choice in 2023 but also as a significant Major Partner. Our enduring partnership with BMHRF has flourished over recent years, fostering a deepened comprehension of the crucial necessity for collaborative efforts in destigmatising conversations surrounding mental health.

The Adelaide Footy League's Breakthrough MHRF Round, held on Saturday, May 27th, stands as a testament to our remarkable progress in garnering Club support for this initiative. Mental illness exhibits no bias, extending its reach into every facet of society, including sporting communities. From players to coaches, support staff, volunteers, and the families and friends who stand by the sidelines, the impact is palpable.

We aim to facilitate the enrollment of club members in courses geared towards obtaining their Mental Health First Aid accreditation. Through these proactive measures, we endeavor to foster a culture of mental well-being within our League and beyond.

The Club Championship Cup is awarded to the most successful Adelaide Footy League Club in terms of winning matches in all of its Divisions throughout the season and conducting its affairs in a manner befitting a Member Club of The League.

Teams are awarded five points for a win, three for a draw and two for a loss. Points are also deducted for Club penalties, including not attending compulsory League meetings. The total number of points is divided by the Club's number of teams to produce a final points average.

Well done to Modbury!

OBITUARIES

DR. FRED BLOCH

With a small group of others, Fred had been central to the evolution of the League to where it is today. Many involved at the SAAFL (AdFL) have been influenced by him in varying ideologies as a friend and mentor whether as an Adelaide University member or an opposition Club member.

Those who reached out upon Fred's passing recalled superlatives that spoke to being a great man, cheeky, funny, engaging, respectful, dynamic and egalitarian.

Chocka's standing at the Adelaide Footy League extends exponentially beyond that of being formally recognised as a Life Member in 2005 or the Division 2 Best and Fairest named in his honour.

Those recognitions are simply a means to acknowledging his steadfast commitment to ensuring a League upheld its end of its then enshrined ethos that centred around amateurism and fair play.

History will prove it was a losing battle as demographics changed and influenced by the market forces stressed by the supply and demand of parkland footballers.

His highly credentialed and now sought after SAAFL history book offers his many insights to sport in general but the most poignant is as he speaks of the virtues of amateurism.

He wrote: "Amateur Sport is good, wholesome and worthwhile. It imbues its participants with the traits of fair play, sportsmanship, modesty in victory and dignity in defeat – all essential elements in the development of character. The professional, motivated by financial reward alone, could not hope to aspire the ideal of the amateur."

Curiously, The League also received an email from another grieving with a copy of a typed letter submitted by Chocka in June 1975 to the then League Executive.

It read in part:

"We believe the true amateur:

- Plays solely for recreation
- That he plays for enjoyment
- For healthy exercise and because he enjoys the company of his teammates.
- He plays hard and to win but remains scrupulously fair
- He does not question the umpire's decision
- He considers the team bigger than the individual and the Club bigger than the team, the association bigger than the Club."

The Adelaide Footy League is richer for Fred's contribution.
