CHIEF EXECUTIVE OFFICER'S REPORT

The Adelaide Footy League is one that means more to their respective communities than simply the game of footy as crucial as that is to the equation.

Commercially we position ourselves to a different market than that of our neighbouring AFL Clubs and the SANFL. In a proposal to a potential partner of our League, Social Capital heads the list of touch points for any organisation to befriend our League which remains our strength above all others, regardless of our rank in the football food chain. We engage anything up to one hundred thousand players, volunteers, mums, dads, brothers, sisters, grandmas, grandpas on a weekly basis across nearly 150 matches per weekend. Whilst our Member Clubs' juniors are affiliated with the SANFL, our Clubs have a direct affiliation with roughly 30,000 players made up of girls, boys, women and men and everything they bring to the table as a collective.

2024 saw the formalisation of a partnership with the Victorian Amateur Football Association (VAFA) and Perth Football League (PFL [Formerly WAAFL]) to what is now known as a tri-state collaboration. In the last 12 months to two years, The League has reset its course to a range of initiatives that we think reflect our purpose. The genesis of that partnership reflects the needs and wants for what is an aggregate of nearly two hundred Clubs and circa forty thousand (40,000) 18 to 35 year old men and women who represent our playing members in concert with volunteers and general Club members to what is recorded as circa three hundred thousand (300,000).

The purpose is to consolidate commercial and social interests by way of sponsorship opportunity to national and international conglomerates and statutory agendas at State and Federal government levels.

In short, strength in numbers from the west to east coast of Australia in what we still argue is footballs heartland.

The roll out of Born to Build via Master Builders SA, You Belong in Blue with SAPOL and now the Gambling HARM Reduction Program are samples of our ideologies that offer some direction for us and by extension our Clubs being more than just Clubs that play footy, a purpose many of them embrace either organically or by design as a matter of course.

John Mannion as head of Breakthrough Mental Health, leads a team who deliver services made available to our Clubs to ensure they as frontline representatives of their Clubs are well versed in the very confronting dynamic relative to mental health and wellness. As the seasons roll on, the organic development of our relationship Channel 9 Adelaide never fails to deliver. Managing Director Sean O'Brien is instrumental on ensuring Channel 9 continue to offer a profile to our League we could not possibly afford. Our stable of Blue-Chip Partners would not be lost on the honour boards of the Port Adelaide or Adelaide Football Clubs is complete with Police Credit Union, Sherrin, O'Neills Sportswear, Wakefield Sports Clinic, Neomorph Mouthguards, Vili's, SA Gourmet Meats, Belgravia/New Balance and our Apparel and Medical Partners.

When we consider the size of our organisation and the cross section of demographics, motivations and or ideologies of what constitutes a healthy community footy based competition, on or off the field, we have arrived at a comfortable position though with room to improve.

The continued challenge for our Clubs is to not only move in the same direction as The League but to challenge themselves to compete with their fellow member Clubs to a standard many of those Member Clubs have orchestrated themselves and to what we now refer to internally as self-benchmarking. In fact, it is fair to suggest it is not even The League administration or League Executive who drives that standard, but our Clubs and they make no apologies in ensuring we are as equally held to account, and it is a responsibility we embrace on their behalf.

Our original plans to be positioned at Thebarton Oval have been well and truly skuttled. That reference of skuttled should in no way be construed as a negative slant on our position. It simply presents a new challenge and indeed our League Executive have represented the

Clubs who elect them to manufacture an outcome that whilst our claims to compensation are to be agreed upon as I write, we can be moderately content with our position with when it is. However, if it is not agreed upon, we make no apology to putting a stake in the ground and holding firm on our very well-established legal position in the interests of our Clubs and by extension, The League. Though the lessons learned as we continue to explore every possible benefit to The League whether it be for the present day or to what may be legacy decisions to stabilise a platform for the next generation of management of this League to operate from is to ensure we remain in absolute control of our own destiny accepting a need to collaborate with the football community at large for the Good of Footy generally. As the governing body of football in South Australia, we will continue to work with SANFL on a platform free of the considerations around Thebarton Oval and the periodic forks in the road to that and our collective wants to collaborate for good.

To that end, The League has now officially relinquished any interest in the Thebarton precinct. Whilst we maintain it was an experience we could have done without; the reality is we did have to deal with it, and we believe we have represented our League and its Clubs to be comfortable with a settlement even if there was some skin lost off our elbows as we presented our cause against the sharp end of football town.

The interest in on-field behaviour is forever present. This year alone has been of an exponentially higher standard than previous years. Our pre-season focus areas of Abuse of Umpire, and generally speaking, non-football incidents has been the lowest in a decade and crucially, at a time when a third (1/3) of our matches are recorded suggesting its far easier to be reported in 2024 than it was in 2014.

But what is of significant frustration is in turn, the lack of acknowledgement to most Clubs and or players who manage to conduct themselves in manner that exceeds The League's expectations and with little effort. 99% of our players have not seen the inside of The League's Tribunal Room. That said there is some irony that even those Clubs who have had players dealt with through The League judiciary, most are pragmatic enough to be fully supportive of the bigger picture and what it means to allow young men and women to participate in a safe environment and how that directly enhances participation levels.

Concussion is the revised risk to not only playing participants, but those charged with supervising players at Club level and the duty of care that falls upon them. The League takes some comfort that our journey to participating in concussion research and education is as advanced as any similar type of organisation in the land. Keith Thomas representing SPARK is a blessing to our League. He speaks our language and is fully understanding of the challenges of this very high priority being understood by volunteer-based Clubs. However, volunteerism is not a defence to any apathy to ensure our players health and wellbeing are paramount to our priorities. The League will continue seeking examples of Best Practice in our duty of care for the players who take the field but also those who are affected by injury. Awareness to concussion in the short and long terms is not going away though there is a general acknowledgment and acceptance to it by our Clubs and for all the right reasons.

When those who ask what our Clubs do, the answer is more than just football. Our Clubs represent all that is good about what it is to be part of a Club – people including volunteers and we are lucky enough to have lots of them.

As the guardians of local footy, our Clubs continue to do what they love and do so exceedingly well and do not let anyone tell you otherwise.

Adelaide Footy League, strengthening communities through footy.

PRESIDENT'S REPORT

As we close out 2024, I would like to extend my deepest gratitude to John and the entire staff for their outstanding dedication and efficiency this past year. Their professionalism, clear communication, and resilience have ensured smooth operations despite the evolving challenges.

To the Executive Committee team, thank you for your invaluable support and hard work. Your commitment has greatly benefited not only myself but also John and the entire team, providing the foundation for a successful year.

A special thank you to our sponsors, whose generosity and support are essential to The League and its Clubs. We are immensely grateful for these partnerships, which continue to be the backbone of our operations. We look forward to further strengthening these connections in the future, and, as always, we encourage everyone to support those who support us.

Women's Football has seen steady growth, and this year was no exception. We're excited for the 2025 season, where we anticipate even greater participation, which will bring new opportunities and challenges at both The League and Club levels.

Many Clubs have made notable strides this year, advancing their facilities and setting ambitious redevelopment goals. I am confident this positive trend will continue, benefiting our players, staff, and supporters alike.

To all Clubs, players, officials, volunteers, and supporters, thank you for your dedication and contribution to an incredible year of football.

Wishing everyone a well-deserved summer break and a joyful holiday season. Here's to a bright and successful 2025!

1 Summary of Material Accounting Policies

(a) Basis of preparation

This financial report is a special purpose financial report prepared for distribution to members in order to satisfy the financial reporting requirements of the *Associations Incorporation Act (SA) 1985*. The committee has determined that the South Australian Amateur Football League Inc ("League") is not a reporting entity.

The financial report has been prepared on an accruals basis, except for the statement of cashflows, and is based on historical costs and does not take into account changing money values or, except where specifically stated, current valuations of non-current assets.

The following significant accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this financial report.

Some of the comparative figures in the Income and Expenditure statement have been remapped for the purpose of comparison and to more accurately represent the nature of the expenditure.

(b) Income tax

The League is exempt from Income Tax under Div 50 of the *Income Tax Assessment Act 1997*.

(c) Revenue and other income

Revenue is measured at the fair value of the consideration received or receivable after.

Dividends

Revenue from dividends is recognised when they are declared.

Interest revenue

Interest revenue is recognised using the effective interest rate method, which for floating rate financial assets, is the rate inherent in the instrument.

Grants and donations

Grant and donation income is recognised when the League obtains control over the funds which is generally at the time of receipt.

Lease surrender income

The League received a compensation settlement of \$2,500,000 following the surrender of its leasehold on the Thebarton location. This amount is currently held as a term deposit investment with income derived supporting the leagues administration occupancy requirements.

All revenue is stated net of the amount of goods and services tax (GST).

1 Summary of Material Accounting Policies

(d) Cash and cash equivalents

Cash and cash equivalents include cash on hand, deposits held at call with banks, other short-term highly liquid investments with original maturities up to twelve months.

(e) Property, plant and equipment

Property, plant and equipment is depreciated over the useful lives of the assets to the League commencing from the time the asset is held ready for use.

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains and losses are included in the income and expenditure statement.

(f) Financial assets

Recognition

Investments are valued at their recoverable amount which is the quoted market value in the case of shares in listed companies and income is brought to account on an accrual basis. Movements in the fair value of investments are recognised in the investment revaluation reserve.

(g) Impairment of non-financial assets

At the end of each reporting period, the League reviews the carrying values of its assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, is compared to the asset's carrying value. Any excess of the asset's carrying value over its recoverable amount is expensed to the income and expenditure statement.

(h) Employee benefits

Provision is made for the League's liability for employee benefits arising from services rendered by employees to the end of the reporting year. Employee benefits have been measured at the amounts expected to be paid when the liability is settled.

The Long Service Leave provision was calculated for all employees at the rate of 1.3 weeks from service commitment.

(i) Provisions

Fines provision

During the 2017 financial year the League determined that cashflows from fines received would be recognised as a liability with the funds to be spent in future years on programs for clubs within the League.

South Australian Amateur Football League Inc

Notes to the Financial Statements

For the Year Ended 30 September 2024

1 Summary of Material Accounting Policies

(i) Provisions

Insurance provision

During the 2017 financial year, revenue from insurance receipts was in excess of the insurance expense. The excess has been re-allocated to the insurance provision to be applied against future revenue raised for insurance from Clubs in the League.

(j) Goods and services tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Tax Office. In these circumstances, the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the assets and liabilities statement are shown inclusive of GST.

Independent Audit Report to the members of South Australian Amateur Football League Inc

Opinion

We have audited the accompanying financial report being a special purpose financial report, of South Australian Amateur Football League Inc ("the League"), which comprises the assets and liabilities statement as at 30 September 2024, the income and expenditure statement, statement of changes in equity and statement of cash flows for the year then ended, notes comprising a summary of material accounting policies and other explanatory information, and the statement by the executive committee.

In our opinion, the financial report presents fairly, in all material respects, the financial position of the League as at 30 September 2024, and its financial performance and its cash flows for the year then ended in accordance with the accounting policies described in Note 1 to the financial statements, and the requirements of the *Associations Incorporation Act (SA) 1985*.

Basis of our Opinion

We conducted our audit in accordance with Australian Accounting Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the League in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (including Independence Standards) (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter - Basis of Accounting

We draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared to assist the League to meet the requirements of the *Associations Incorporation Act (SA) 1985*. As a result, the financial report may not be suitable for another purpose. Our opinion is not modified in respect of this matter.

Information Other than the Financial Report and Auditor's Report Thereon

The Executive Committee of the League are responsible for the other information. The other information obtained at the date of this auditor's report is included in the Report by the Executive Committee, but does not include the financial report and our auditor's report thereon.

Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon.

Information Other than the Financial Report and Auditor's Report Thereon (continued)

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed on the other information obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Executive Committee's Responsibility for the Financial Report

The executive committee of the League is responsible for the preparation and fair presentation of the financial report and has determined that the basis of preparation described in Note 1, is appropriate to meet the requirements of the *Associations Incorporation Act (SA) 1985* and is appropriate to meet the needs of the members. The executive committee's responsibility also includes such internal control as the executive committee determines is necessary to enable the preparation of a financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the executive committee is responsible for assessing the League's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the executive committee either intend to liquidate the League or to cease operations, or have no realistic alternative but to do so.

Auditor's Responsibility for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Accounting Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis of opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Auditor's Responsibility for the Audit of the Financial Report (continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion of the effectiveness of the League's internal control.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the executive committee.

- Conclude on the appropriateness of the executive committee's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the League's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the League to cease or continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the executive committee regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we may identify during our audit.

TRIBUNAL REPORT

It was pleasing to note that this year saw a decline in the number of matters progressing through to the Tribunal albeit that the Match Review Panel was kept busy. I believe the consistent messaging of zero tolerance from The League in regard to inappropriate on-field behaviour and the videoing of games has been significant in this decline.

The Tribunal continues to place importance on the “potential for harm” when assessing the “impact” component of reports and determining the appropriate outcome. This will be an ongoing focus into the future.

Umpire abuse continues to be an issue. Our umpiring officials are an integral part of our game and without them the hundreds of games that occur each week in the Adelaide Footy League simply cannot happen. The League and Tribunal supports our umpiring fraternity and will continue to take a strong stand on those appearing before us charged with umpire abuse.

The video technology has been of great assistance to the Tribunal in assessing and determining outcomes, in matters that occur in split seconds and upon which differences of opinion will always vary. We appreciate The League's continued commitment to the videoing of games which ensures the Adelaide Footy League continues to be on the front foot in protecting those who participate each weekend in our great game.

I would like to acknowledge and thank the members of the Tribunal who willingly volunteer their time to sit on Wednesday nights, the Staff of The League, in particular the CEO, John Kernahan, and Aaron Jones for their efforts and assistance with the Tribunal.

Trevor Lovegrove
Tribunal Chairman

UMPIRE'S REPORT

This has been my tenth year as Umpire Manager, and I loved the role this year as much as I ever have. To be involved with such a great group of people in such a terrific competition is a real privilege.

This year we were able to retain 84% of umpires who umpired with us last year and we attracted 135 people to umpire with the Adelaide Footy League for the first time. This meant we increased our total numbers by 75 umpires, an increase of 20% on last season. Importantly we saw a 47% increase in the number of female umpires and, while these numbers remain relatively small overall, we are tracking in the right direction. We had three new Female Umpiring Mentors appointed, those being Alison McMeekin, Zoe Blundell and Annette Greenshields who all did a fantastic job in supporting the female umpires we have over all disciplines.

The main reason for the increase in our numbers was the remarkable growth in our boundary umpiring ranks. In recent years, we have had 30 to 40 new boundary umpires start each year. In 2024 we had 87 new boundary umpires which has been incredible. We had a successful recruiting strategy by approaching 3 schools close to where we train, namely CBC, PAC and St Aloysius College but it was the word-of-mouth recommendations which was our greatest source of recruitment.

Thank you to all the boundary umpiring coaches headed up by Neil Rankine who did a sterling job in supporting and guiding these new boundary umpires throughout the year. I say it every year but Ray Roberts is an absolute gem and the work he does behind the scenes for boundary umpiring is unmatched. This year he has had his work cut out more than usual due to the increase in numbers.

We have a team of 30 coaches across all disciplines who did a great job once again. A couple of people I want to point out in this group – Bruce Amos led the goal umpiring group with his passion, professionalism and knowledge and Matt Harris did a terrific job in taking on the challenging role as fitness coach.

There is one man who assists all three disciplines tirelessly – Peter Angel. The Adelaide Footy League umpiring panel would not be the same without him.

The Umpires Association, led by their President Ian Gore, supports umpires brilliantly and I would like to thank them for their efforts again this year.

There were several umpires recognised at the end of season Presentation Dinner for their outstanding performances in 2024. Congratulations to the following – Andrew Crosby (Best Field Umpire), Andrew Roberts (Best Boundary Umpire), Steve Martin (Best Goal Umpire), Jai Birrell (Best First Year Field Umpire), Jake Smith (Best First Year Boundary Umpire), Jackson Webber (Best First Year Goal Umpire), Nathan May (Most Improved Field Umpire), Michael Pollnitz (Most Improved Boundary Umpire), Jonathan Owen (Most Improved Goal Umpire), Paul Smitheram/ Cody Rowston (Umpire Managers Award) and Matt Harris (Rex Lambert Award).

Furthermore, there were some significant achievements from experienced umpires, with 11 reaching 400 or more Adelaide Footy games:

400 games – Kym Alley (field).

500 games – Jason Mounce (field), Chris Rasch (field), Rob Lombardi (goal).

600 games – Simon Hedger (field), Tony Symons (field), Ron Field (goal).

700 games – Mark Goodes (field), Vic Petruzzelli (field).

900 games – Terry Crispin (field), Ron Kennealy (goal).

On a sad note, goal umpire Don Bills passed away towards the end of the season. Don was aged 84 and had umpired 469 games with the Adelaide Footy League. Our sincere condolences go out to Don's family and friends.

Thank you to all those who supported umpiring and we look forward to doing it all again in 2025.

Colin Rowston

MEN'S DIVISION 1 GRAND FINAL VIP FUNCTION - NORWOOD OVAL

UMPIRES PRESENTATION DINNER - THE PLAYFORD HOTEL

ROUND 5 - UMPIRE APPRECIATION ROUND

11 MAY 2024

Umpire Appreciation Round is a wonderful initiative in Australian Rules Football that highlights the vital role umpires play in maintaining the fairness and integrity of the sport. By officiating matches at all levels, umpires ensure that games are conducted according to the rules and in a spirit of sportsmanship. The round serves as a formal recognition of their dedication, professionalism, and hard work.

During this special round, players, coaches, officials, and fans come together to express their gratitude through respectful gestures, such as thanking umpires before and after matches. These acts underscore the importance of their role in the sport and foster a culture of respect. It's a great way to build positive relationships between umpires and the wider football community, promoting fairness and ensuring that their often-challenging work is appreciated.

ROUND 6 - BREAKTHROUGH MENTAL HEALTH ROUND

18 MAY 2024

The Breakthrough Mental Health Research Foundation (BMHRF) continues to stand out not only as a distinguished Charity of Choice in 2024 but also as a key Major Partner. Our long-standing partnership with BMHRF has deepened over the years, enhancing our understanding of the critical need for collaboration in breaking the stigma surrounding mental health discussions.

The Adelaide Footy League's Breakthrough MHRF Round, held on Saturday, May 18th, is a testament to the significant strides we've made in rallying Club support for this important cause. Mental illness affects all corners of society, including sporting communities, impacting players, coaches, support staff, volunteers, and the families and friends who support them from the sidelines.

Our goal is to continue facilitating the enrolment of club members in courses designed to help them obtain Mental Health First Aid accreditation. Through these proactive initiatives, we strive to foster a culture of mental well-being within our League and beyond.

The Club Championship Cup is awarded to the most successful Adelaide Footy League Club in terms of winning matches in all of its Divisions throughout the season and conducting its affairs in a manner befitting a Member Club of The League.

Teams are awarded five points for a win, three for a draw and two for a loss. Points are also deducted for Club penalties, including not attending compulsory League meetings. The total number of points is divided by the Club's number of teams to produce a final points average.

Well done to Henley!

2024 LEAGUE LIFE MEMBER INDUCTEES

PETER CARTER

Prior to Peter becoming very involved in several different categories of The League from 2010 to 2024, he was Prince Alfred Old Collegian's Delegate from 2008 to 2010.

His first League involvement was to be elected to join The League's Executive Committee in 2010, a position he held until 2024.

Peter played an active role as a member of the Football Committee, the Constitution Review Committee, the Investigation Committee, the Risk and Audit Committee and as a League Delegate to the Australian Amateur Football Council.

Peter was also central to the complex and protracted negotiations as The League sought compensation from the loss of Thebarton Oval as it's home.

Peter played 233 games for PAOC and is a Life Member of the Club.

JOHN STAKER

John's ("Jack") service to The League is recognised by his steadfast commitment to Umpiring and then The League Tribunal.

Jack's involvement in The League extends to a 6-year playing career with the Rosewater Football Club after playing for West Torrens in the SANFL. He was Captain of the SAAFL State Team, and twice All Australian, including Captain in 1976.

Post playing career Jack umpired in The League and then accepted the role of Umpires Coach and Manager in 1986.

To this day, Jack has been a valued member of The League Tribunal, Investigations and Appeal Board that has spanned some twenty-five years.
